I _____, the undersigned and hereinafter referred to as the "Trading Agent" do hereby agree to the terms and conditions set forth below applicable to all client accounts I manage Tradeview (Tradeview Ltd.) through a Limited Power of Attorney.

Commissions charged by the Trading Agent will be calculated on a 'round turn' basis. Payment of such commissions will be made to the Trading Agent within 5 business days following the end of each month, unless otherwise agreed upon, for all lots closed by 5 pm EST on the last trading day of a calendar month. Any commissions due on open positions will carry forward to the subsequent month. Prot Sharing will be calculated and paid on a net high watermark basis at the rate agreed upon by the client and Trading Agent within the executed Limited Power of Attorney.

Any Trading Agent who utilizes the Multi Account Manager available on all MetaTrader platforms in their trading activity at Tradeview Ltd. will be charged a usage fee of \$.15 per round turn (10,000) on all foreign exchange transactions. Tradeview Ltd. will calculate the total usage fees at month end and the Trading Agent will be issued an invoice for the total cost. All usage fees due to Tradeview Ltd. shall be debited from any commissions and/or prot sharing due to Trading Agent and shall be debited prior to the issuing of payment to Trading Agent. Should the debiting of usage fees result in a negative equity balance such balance will carry forward and be included in the subsequent month's calculation. At no time shall Trading Agent be issued payment of commissions and/ or prot sharing prior to Tradeview Ltd. collecting all usage fees due.

Tradeview Ltd. diligently supervises and monitors the activities of all managers acting as Trading Agents. As a result, Tradeview Ltd., in its sole discretion, shall monitor the activities of the Trading Agent to ensure the prevention of misconduct, which shall include, but not be limited too, unauthorized trading, fraud, mismanagement, breach of duciary duty and churning. For purposes of this subparagraph 'churning' is dened as any form of excessive trading being conducted for the purposes of increasing Trading Agent's commissions, rather than to further the customer's investment goals. Upon the nding of misconduct, as reasonably determined by Tradeview Ltd., any and all commissions, fees and/or prot sharing due to the Trading Agent maybe withheld in escrow for a period not to exceed six (6) months. Withheld funds can and will be used to satisfy any customer claims received as a result of misconduct on the part of the Trading Agent. The Trading Agent has a duty to inform Tradeview Ltd. of any customer complaints and/or claims. If, after a six (6) month period, no claims have been received by Tradeview Ltd. or Trading Agent, the funds will then be paid to Trading Agent. Should a claim be received prior to expiration of the six (6) month holding period, such a claim will be assessed by the Legal & Compliance Department of Tradeview Ltd. for validity, such a process may result in funds being held longer then six (6) months. Trading Agent indemnifies and holds Tradeview Ltd., its aliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred as a result of commissions, fees and/or prot sharing withholdings due to a nding by Tradeview Ltd. of misconduct by the Trading Agent and receipt of a customer claim against Tradeview Ltd. and/or Trading Agent prior to the expiration of the six (6) month withholding period. Tradeview Ltd. shall not be held liable or responsible for any miscalculation of any fees, commissions, or prot-sharing.

Tradeview Ltd. may revoke or terminate the Trading Agent's trading authority over a Client's account at any time for any reason in its sole discretion. In the event Tradeview Ltd. terminates the Trading Agent's trading authorization over the Client's account, Tradeview Ltd. will provide written notice to both the Client and the Trading Agent.
